Warband Rules

The Ladies Blessing

Before a game, the leader of a Bretonnian Warband may take a Leadership test. If the test is success any model in the opposing warbands who wishes to fire a black powder weapon must roll a D6 and score 4 + or otherwise they may not fire the weapon. The opposing player must test each time they wish to fire such a weapon. Additionally, if any enemy model wishes to shoot at a Bretonnian Knight (Questing Knights and Errants only) , then they also must first roll a 4+ on a D6 or they may not shoot at them.

Protected by Morr

This priest never rolls for serious injury after being taken out of action. Instead on a roll of 4+, the Priest gains a 'Secret of Vantor'.

Death Warder

Once per combat phase, the Death Warder may force his opponent to re-roll a successful wound roll on any combat that happened within 12" of the priest.

Holy Relic

A model with a holy relic will automatically pass the first Leadership test he is required to make in the game. If worn by the leader, it will allow him to automatically pass the first Rout test if he has not taken any Leadership tests before. You can only ignore the first Leadership test in any single game – owning two or more holy relics will not allow you to ignore second and subsequent tests.

Tea-Leaf!

A Thief may attempt to steal one item during the Trading phase. Choose any item, if it is a common item the Thief successfully steals it on a 2+ on a D6. A Rare item is successfully stolen by rolling higher than the availability number on 2D6. Any items stolen may be used in exactly the same way as one that was bought. If the Thief fails to steal the item roll a D6. On a score of 1-5 the thief is chased out of the trading post and escapes. On the score of a 6 the Thief is captured by whatever authorities there may be and is hung (remove him from the warband roster).

WEAPON TRAITS

Holy Relic

A model with a holy relic will automatically pass the first Leadership test he is required to make in the game.
